OTHER BUYERS ARE SAYING...

WELL-CRAFTED RESOURCE

“I especially liked the part where we could review the class's answers. Great for building community!”

~ Heather's Help Emporium,
used with Grades 6-8

“I LOVE this survey. It was well thought out and including many aspects of a child's life. It allowed me to get to know my students better. I also loved being able to collect data about the reading in the class and then share it with students in a slideshow. It was fun, insightful, and engaging.”

~ Julie A., used with Grades 4-5

OTHER BUYERS ARE SAYING...

“I love that this was in Google so that as I was teaching the students how to use our online learning platform they were able to complete.”

~ Debra W., used with 5th grade

“I used this with my 6th-8th grade reading intervention students. I learned important information about them and they had fun doing it. We all especially loved going over the results of the surveys.”

~ Sarah H., used with Grades 6-8
