

MONTHLY LIBRARY CHALLENGE

MARCH 2020

Creating a Video Booktalk

Video booktalks are fun for you and your students! This month's freebie focuses on student-created booktalks, but this month's Challenge tasks focus on librarian-created video booktalks.

You may enter this month's challenge once for each task you complete below (maximum of two entries):

- Create your video booktalk. See the blog post for tips and ideas.
- Post your video booktalk to your library website, school website, and/or social media. If you are posting to Instagram, Twitter, or Facebook, please consider using the following hashtags so students and other librarians can find them easily:

#ESbooktalk (elementary titles)

#MSbooktalk (middle school titles)

#YAbooktalk (YA titles)

#ADbooktalk (Adult titles)

This month's prize is a \$50 gift card to either Amazon or Teachers Pay Teachers.
