

MONTHLY LIBRARY CHALLENGE

APRIL 2020

All About Boom Cards!

I've made no secret about my newfound love for Boom Cards! Since Boom is offering free Ultimate memberships through June 30, this is a great opportunity for everyone to check it out!

You may enter this month's challenge once for the first five tasks together and once for the Bonus entry (maximum of two entries):

- Create a Boom account
 - Add your class or classes
 - Add your students
 - Add some decks to your library. There are lots of free decks!
 - Assign the decks to your students OR share the fast pins with your students.
-
- Bonus entry: Create a Boom deck of your own!

This month's prize is a \$50 gift card to Amazon or Teachers Pay Teachers, or an Ultimate membership to Boom.
