DISCUSSION QUESTION

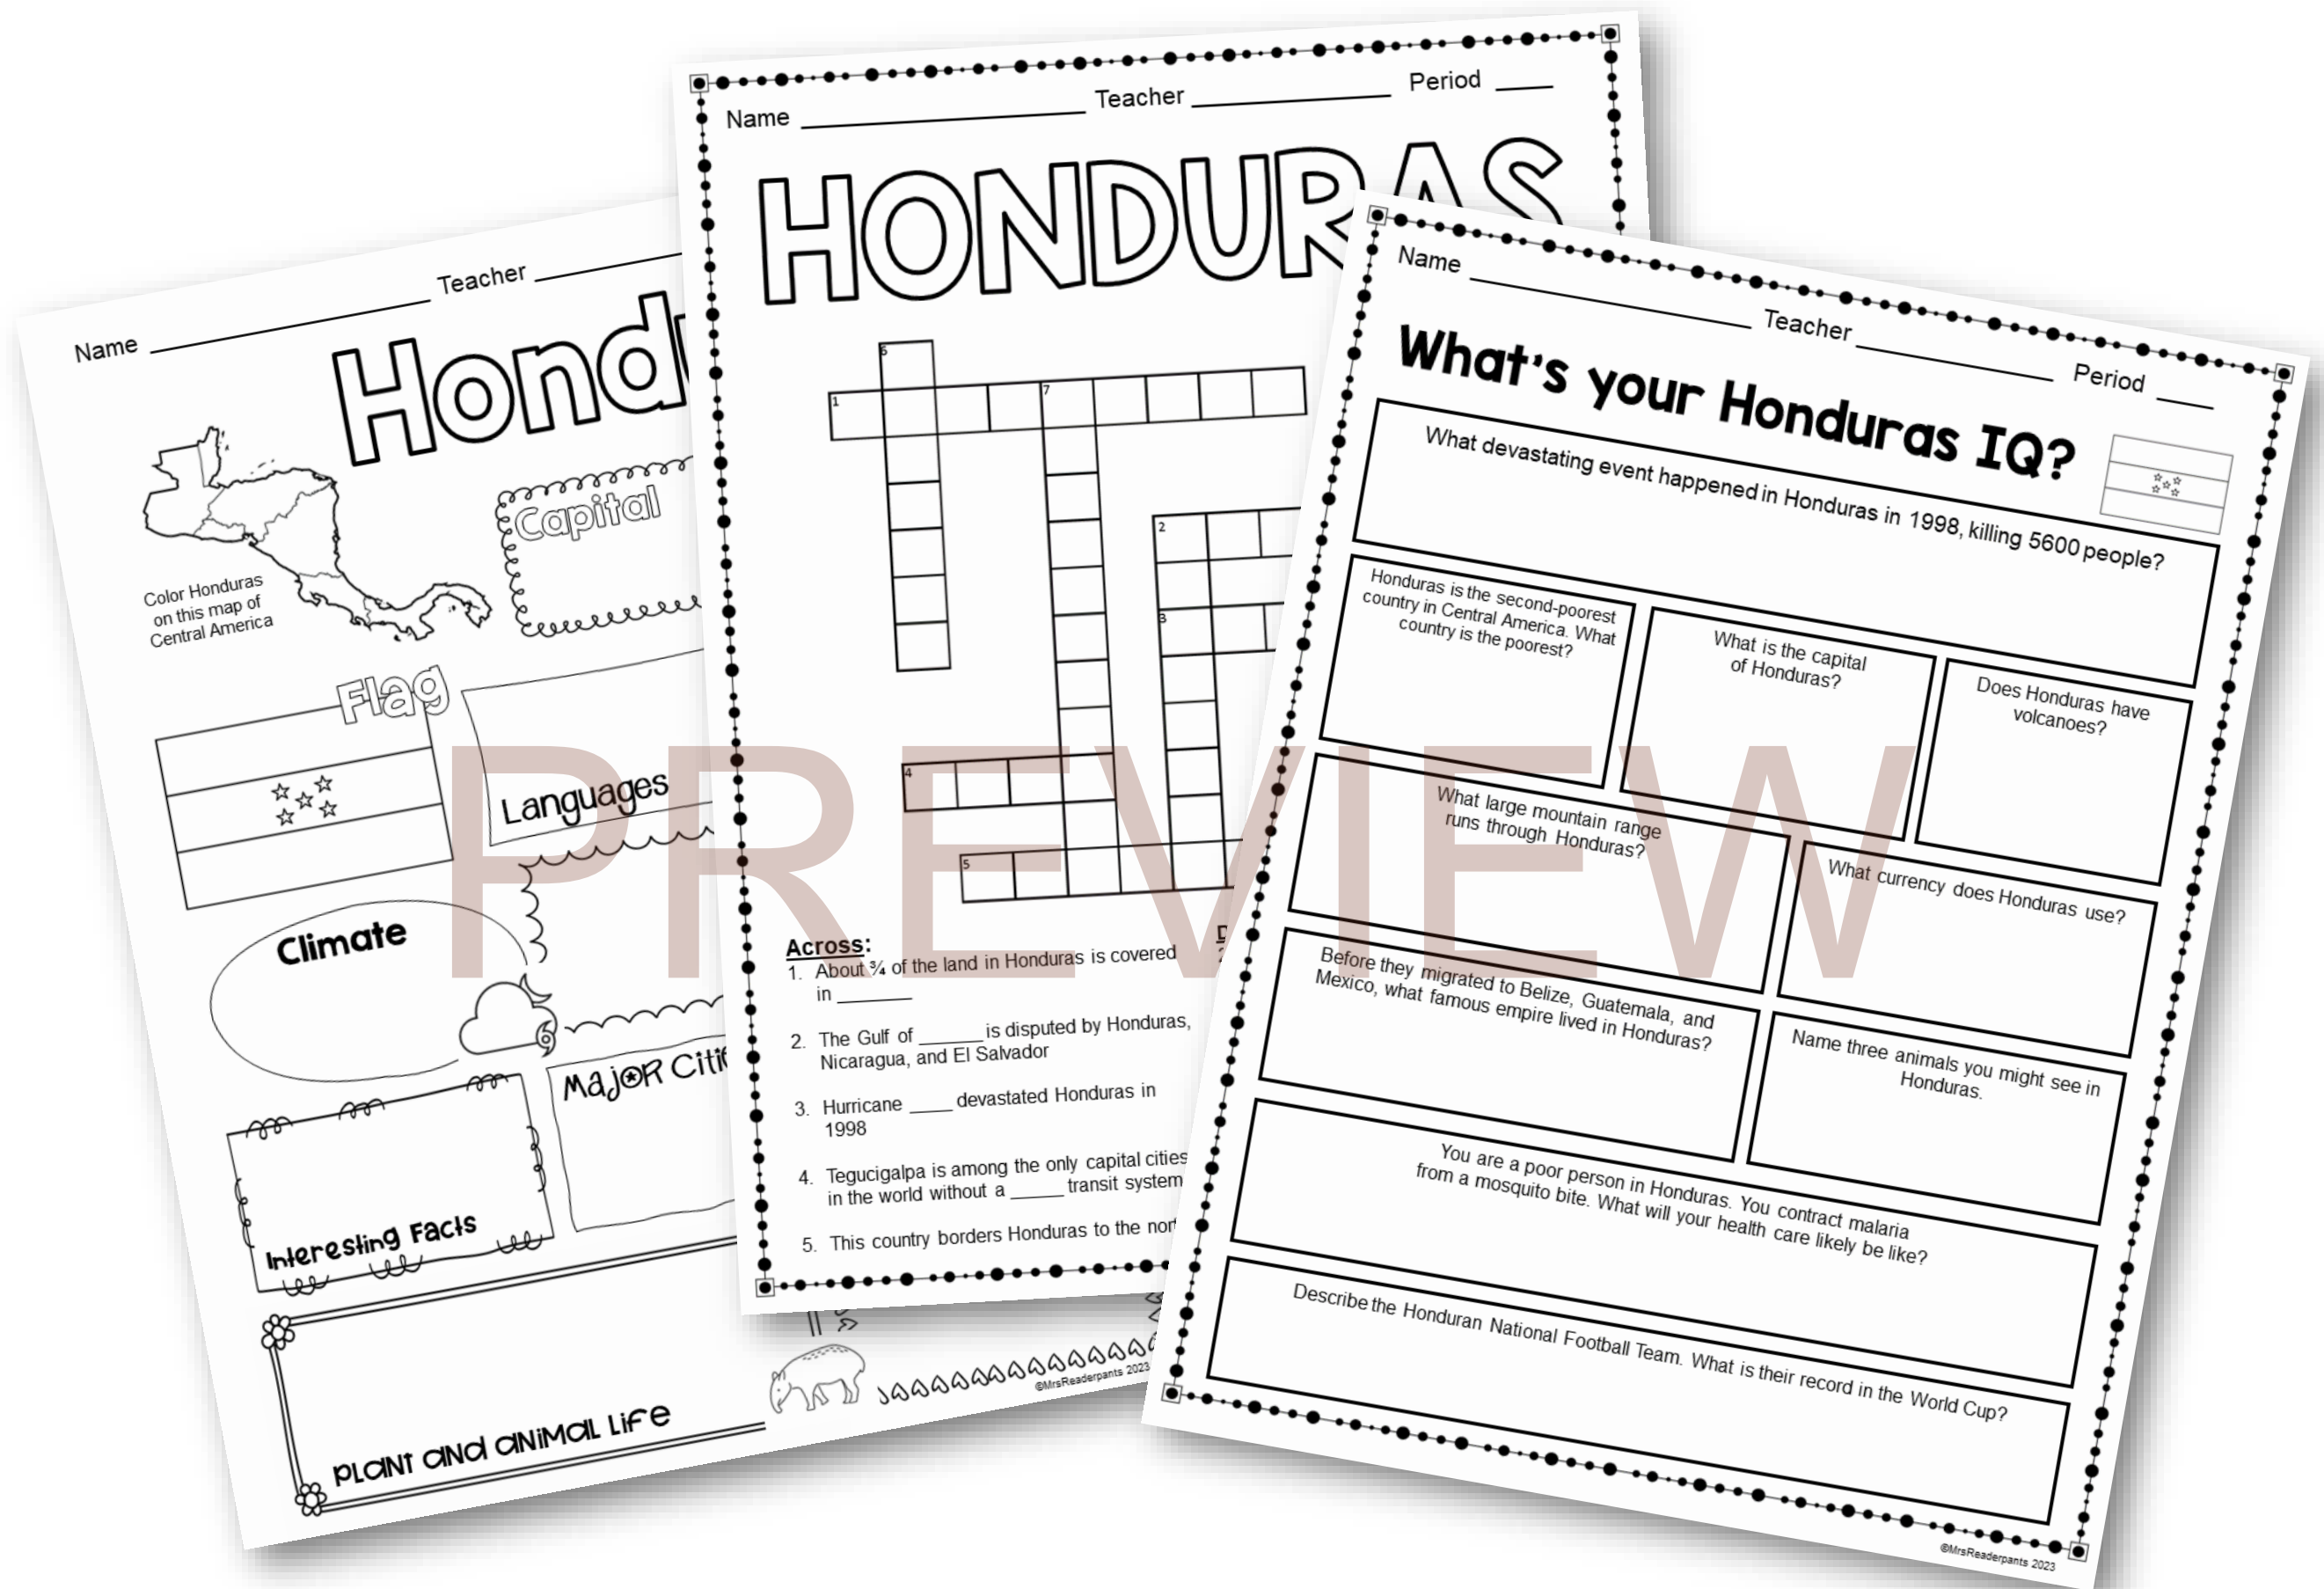

Honduras is a tropical country with lots of nature, gorgeous beaches, volcanoes, colorful plants and animals, and lots of archaeological ruins.

Sadly, many areas experience significant poverty, and the country has problems with gang violence, crime, femicide, and in many areas, lack of access to healthcare and clean water.

Knowing all this, would you want to visit Honduras? Why or why not?

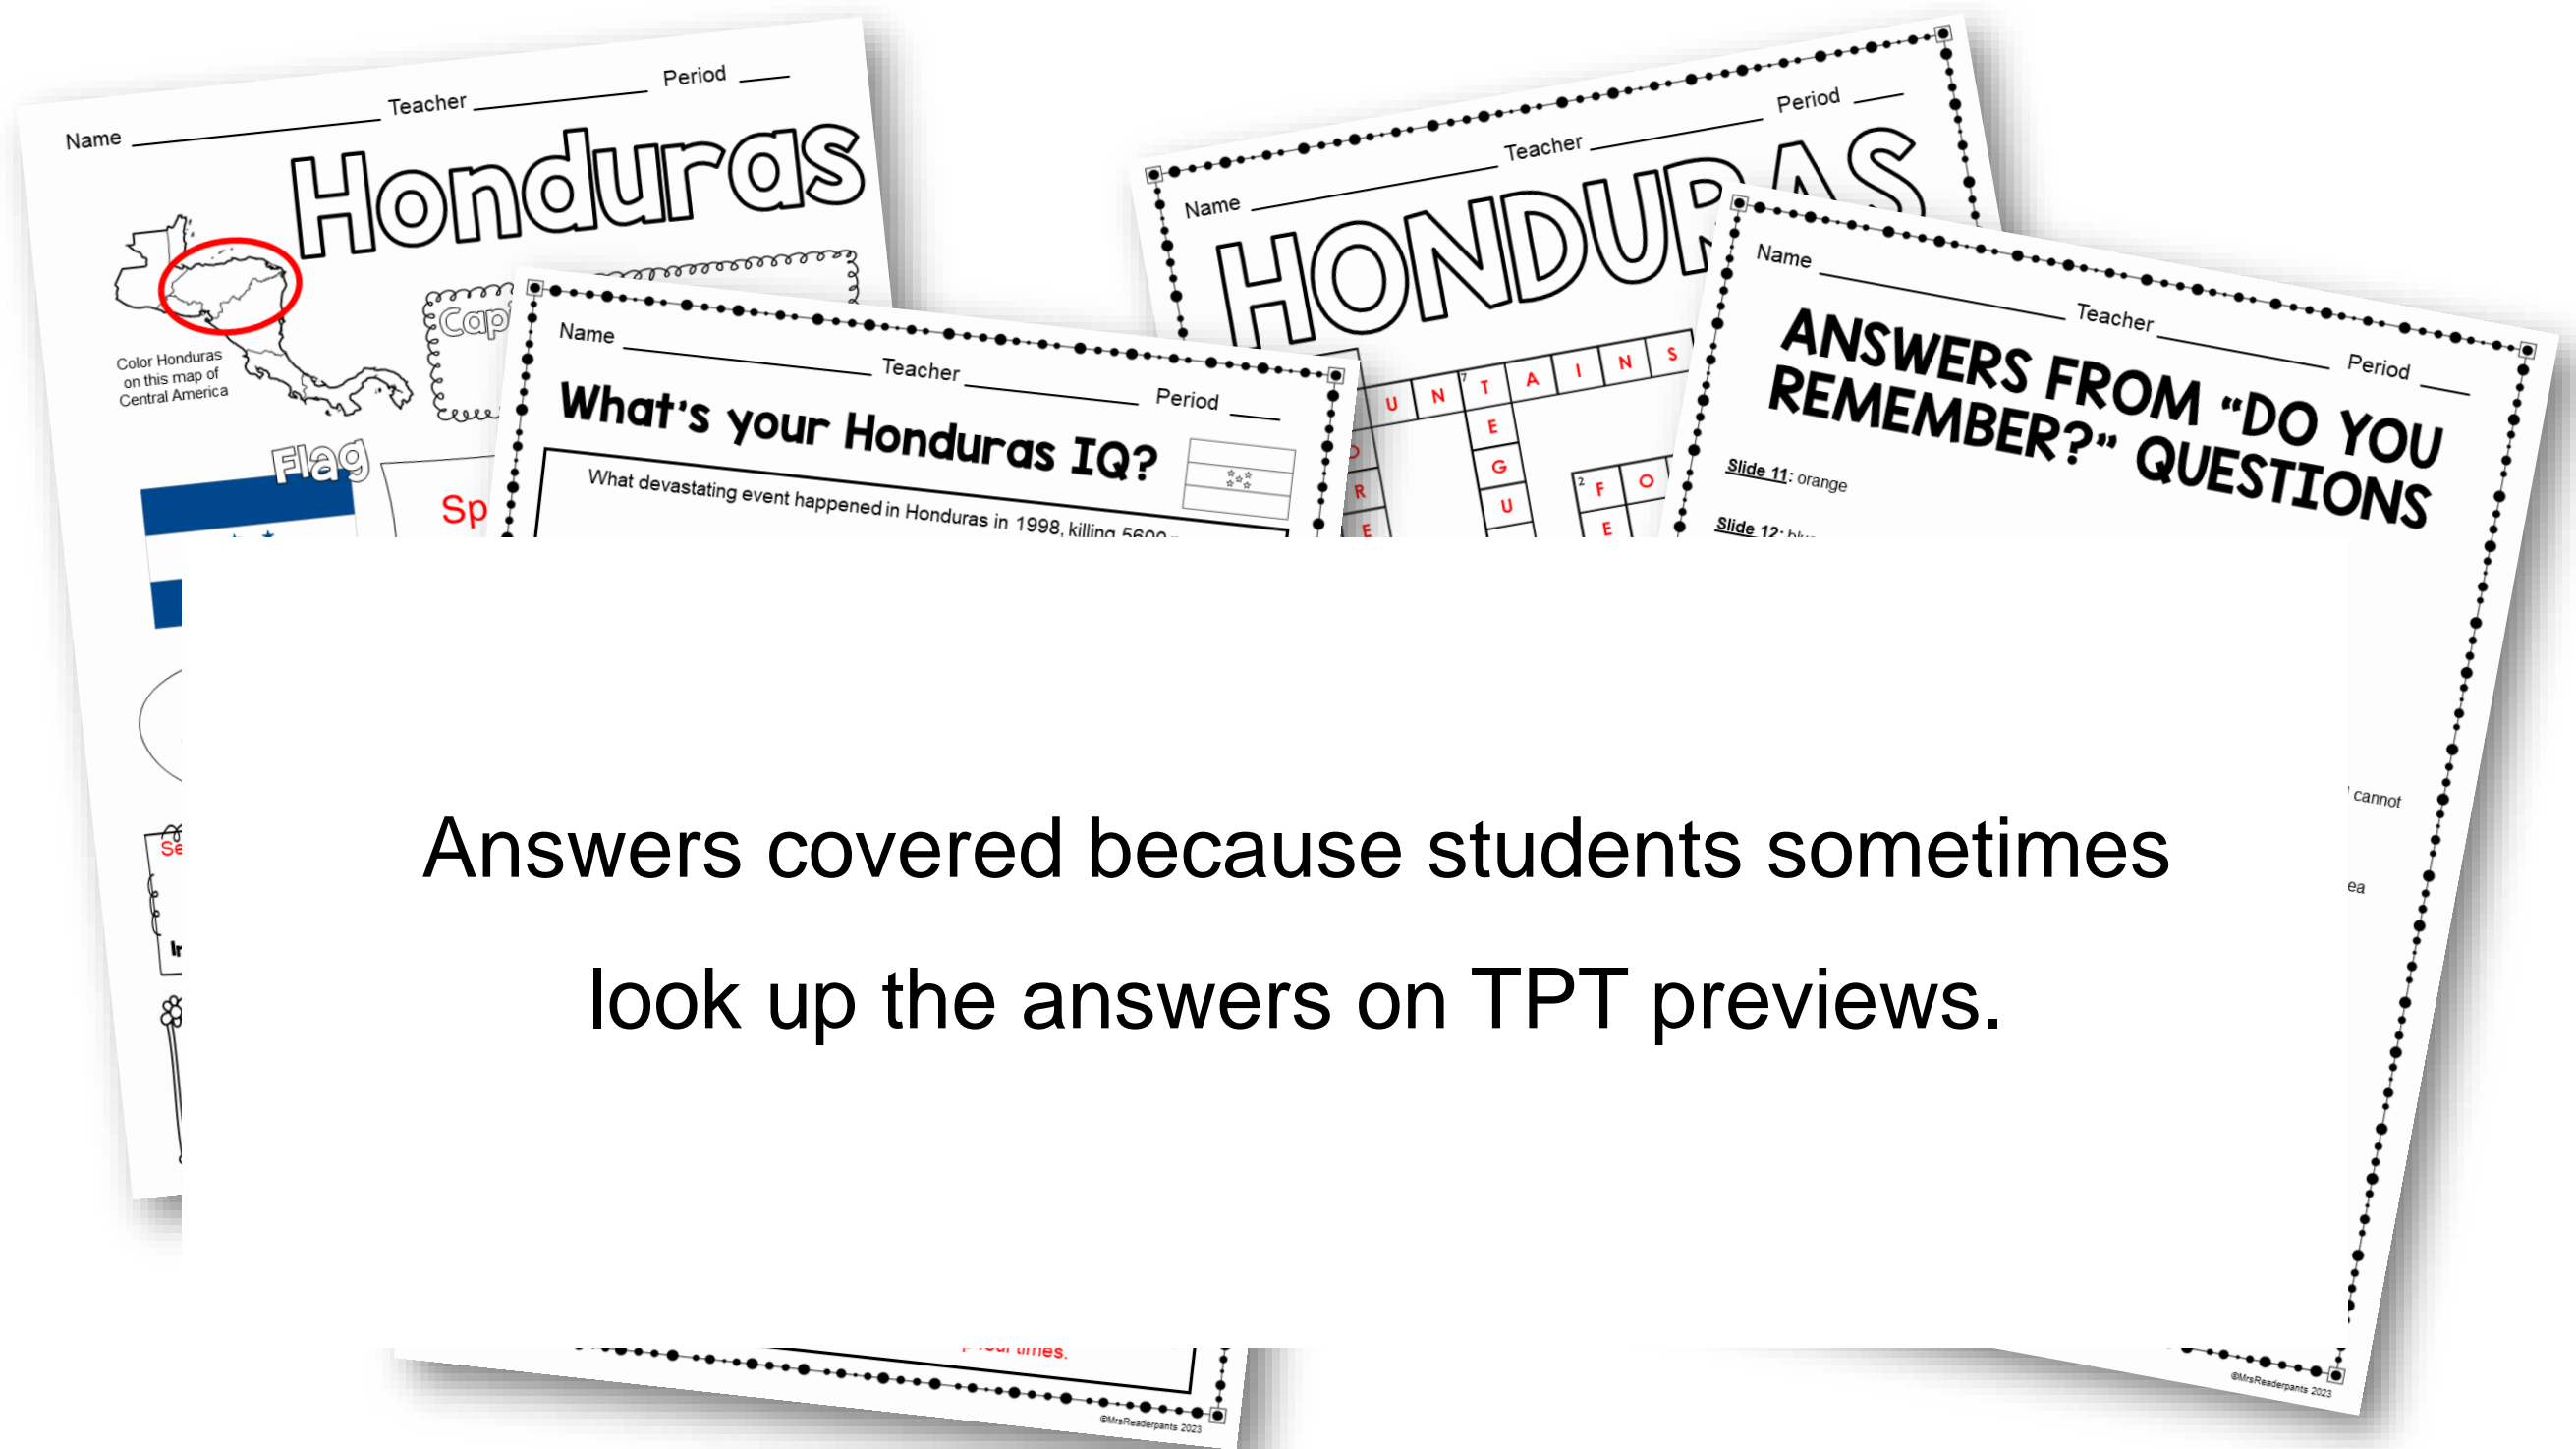

Review questions appear every few slides. These may be recall questions (What is the capital?) or discussion questions (Would you want to visit Honduras?)

3 PDF ACTIVITIES

Three printable activities help review information in the presentation. Activities are NOT EDITABLE.

ANSWER KEYS INCLUDED

Answers covered because students sometimes
look up the answers on TPT previews.

All activities and “Do You Remember” slides
in the presentation include answer keys.
