Choose your favorite format! All pages are editable in PowerPoint, Google Slides, and PDF.

2022 MrsReaderPr

## ALL TEXT IS EDITABLE

You can change the header text, directions, and Bingo squares as needed to suit your school.

## VERSION #I PICTURES ONLY

This version is great for students who are not yet reading independently. They can color the pictures when they finish reading. The images can represent any kind of reading they choose. Tasks can be completed with any books

## VERSION #2 TEXT + IMAGES

These are the same icons as on Version #1, but they have different written tasks for reading activities. Again, any books will work.

## **48 BINGO SQUARES**

Version #1 and Version #2 each have 3 different Bingo cards with 16 squares each. That's 48 unique Summer Reading Bingo categories for each version.

#### 

- Read with a friend
- Read in a box, laundry basket, or closet
- Listen to an author read-aloud online
- Have a reading picnic
- Read while stretching your muscles
- Total of 48 different reading tasks (3 cards for each version X 16 squares per card)

#### SUMMER READING LISTS FOR K-5

No two titles repeated! I am a school librarian, and I took my time curating this list to ensure every title is well-reviewed and appropriate for the recommended grade levels. The titles are also <u>100% editable</u>!

## READING LOG FOR OLDER READERS

WHAT READ THIS SUMMER         If you read every day, your reading will stack up this         Summer! Keep track of what you read on the chart below:					
TITLE	AUTHOR	MY THOUGHTS			

The header, directions, column headings, and column widths are all editable.

### READING LOG FOR YOUNGER READERS

Younger readers can color a summerthemed object for each book they finish.
