WHAT LIBRARIANS ARE SAYING

“The storytime was a perfect level for learning about elections for 1st, 2nd, and 3rd graders. The students didn't have a lot of background so this was a PERFECT introduction!”

~Alison V., used with Grades 1-3

“This was a great way to introduce the importance of voting and how citizens vote without addressing or promoting a political party. Teaching students about how laws were changed through voting also helped them understand the importance of a civic duty.”

~Diana B., used with Grade 3
