NO PREP NEEDED!

HOW TO PLAY THIS GAME:

1. No prep needed! You can play this game "straight out of the box"!
2. Divide students into 4-5 teams. I usually have the teams move desks so they can confer on answers.
3. Keep score on a whiteboard (teacher or student volunteer), or ask one person on each team to keep track of the scores.
4. Team 1 picks a category and dollar amount. Click the question. If the team answers correctly, they "win" that dollar amount.
5. If Team 1 answers incorrectly, Team 2 will get a chance to "steal" the question. If Team 2 answers the question correctly, Team 2 wins that dollar amount and gets to choose another question.

Not sure how to play? I included step-by-step instructions for game play. No prep needed!
