FUN FACTS & TRIVIA

WORD OF THE WEEK

PROSE

Prose is the opposite of poetry.

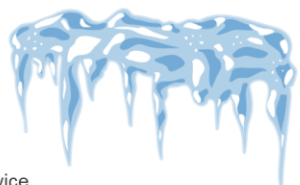

Prose does not have a certain rhythm. Prose uses regular sentences to tell or write a story.

“FIRE AND ICE”

Some say the world will end in fire,
Some say in ice.
From what I've tasted of desire
I hold with those who favor fire.

But if I had to perish twice,
I think I know enough of hate
To say that for destruction ice
Is also great
And would suffice.

~Robert Frost, 1920

DID YOU KNOW...?

Poetry can help improve your vocabulary!

Poetry uses a lot less space than prose writing.

As a result, poets must use more precise words to say exactly what they mean.
