# WHAT OTHER USERS ARE SAYING...

“I teach library and don't think the kids had even done a Jeopardy type activity. They really enjoyed it and learned to wait for the nursery rhyme instead of just blurting out their answers.”

~Amy K. (used with 1<sup>st</sup> Grade)

“This was so fun to use! The students were not that familiar with the nursery rhymes so they began seeking them out in the library. The teachers enjoyed playing along, too.”

~Kristi S. (used with Grades 1-5)

# FREQUENTLY ASKED QUESTIONS

## Is this game ready to use TODAY?

**YES!** This trivia game is ready to go, right out of the box.

It's ready to play with zero edits — but every part of it can be customized if you want to.

## What EXACTLY is editable?

### **Editable:**

All point-values, question categories, questions, answers, and nursery rhymes are fully editable.

### **Not editable:**

All artwork, game board design and title, and layouts/navigation buttons. These are locked to the slide and not editable.

## How long does this game take to play?

Because of the nursery rhymes included, this game takes a bit longer than my other trivia games.

I recommend allowing 2 class periods of 30-40 minutes each to play the full game and teach all 25 nursery rhymes.

# TEACH YOUR STUDENTS 25 NURSERY RHYMES!
