# PLAY IN PPT OR GOOGLE SLIDES

This game is ready to click-and-go in either PowerPoint or Google Slides!

The two versions are exactly the same except for the way you mark questions as selected.

In PowerPoint, the dollar amounts automatically disappear when clicked. They will stay gone until you reset the game.

In Google Slides, use the pen tool to mark off dollar amounts as students play the game. Your marks will remain visible until you reset the game.

# HERE'S WHAT YOU'LL GET

**ANIMALS - \$500**

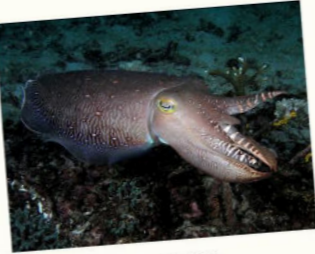

Which of these animals has radial symmetry?

A. sea star

B. horseshoe crab

C. cuttlefish

**ANSWER**

**ANIMALS - \$500**

**ANSWER: A - sea star**

Radial symmetry means symmetry along a central axis. If you fold the sea star in half in any direction, both halves will look the same.

Sand dollars and some jellyfish also have radial symmetry.

# ANIMATED GAME PLAY

This game includes features that ensure smooth game play:

- Students can see which questions have been selected already on the game board.
- Use the navigation buttons to play the game.
- Press ESC to reset the game, clear all pen tool marks, and reset the PPT trigger animations.

**BEACHES - \$400**

How many legs do crabs have?

- a. 6
- b. 8
- c. 10
- d. 12

**ANSWER**

**\$400**

All crabs are **decapods**, which means they have ten legs. Most crabs walk sideways instead of forward and backward.

A group of crabs together is called a cast.

# WHAT OTHER USERS ARE SAYING...

"MrsReaderPants is one of my favorite sellers! My students get SO EXCITED when I tell them we are doing one of her games."

~Kat D. (used with Grades 4-5)

"This is another fantastic resource, which is always a MrsReaderPants trademark. Thank you for this trivia game."

~Tiffany F. (used with Grades 2-6)

# FREQUENTLY ASKED QUESTIONS

## Is this game ready to use TODAY?

**YES!** This game is zero-prep!  
You can play it next period without making any changes.

I do suggest you practice clicking a few questions before game play so you get a feel for the game navigation.

## What EXACTLY is editable?

### **Editable:**

All dollar amounts, question categories, questions, answers, and captions are all fully-editable.

### **Not editable:**

All images, game board design and title, and layouts/navigation buttons. These are locked to the slide and not editable.

## How long does this game take to play?

While this game is designed for Grades 3-6, I have played it several times with fifth grade through high school.

For my classes, regardless of grade level, it usually takes about 35-40 minutes to play.
