QUESTION #5

CHOOSE A PLACE:

A An escape room	E Comics store, bookstore, or library	I Top of a building, like a superhero
B Hogwarts	F Haunted house	J The Metropolitan Museum of Art in New York City
C London, in the future	G Arcade or bowling alley	K Wrigley Field
D Your bedroom	H Mall or restaurant	L Log cabin in the woods near a sparkling lake

MOSTLY C ANSWERS: THE INNOVATOR

Innovators are good at many things, but they are superstars in subjects like science, technology, and math. Innovators are smart, creative, and like lots of action. Like Questioners, Innovators may find it difficult to trust others and may prefer to work alone instead of in a group.

Pet peeves: Sitting still; staying in one place; working in a group, especially when you have a great idea that no one else has.

Genres for Innovators:
Science fiction, action-adventure, survival, suspense, mystery, fantasy, sci-fi, and nonfiction.
