CELEBRATE AMERICA 250

This lesson is perfect for Independence Day and the America 250 Celebration!

Includes fun facts and trivia about the 4th of July,

Bastille Day (France), firework safety, and the history of fireworks.

BASTILLE DAY

Bastille Day is a French holiday. It is on July 14.
It celebrates the French Revolution, which was in 1789.

French people around the world watch fireworks and go to parades on Bastille Day.

There is lots of music, parades, food, and fun!

SPARKLER SAFETY

Sparklers are hand-held fireworks.

Always hold sparklers far away from your body.

Keep a bucket of water or a garden hose nearby in case of fire.

PETS AND FIREWORKS

Pets are afraid of loud noises from fireworks and thunder!

How do you know if your pet is afraid?

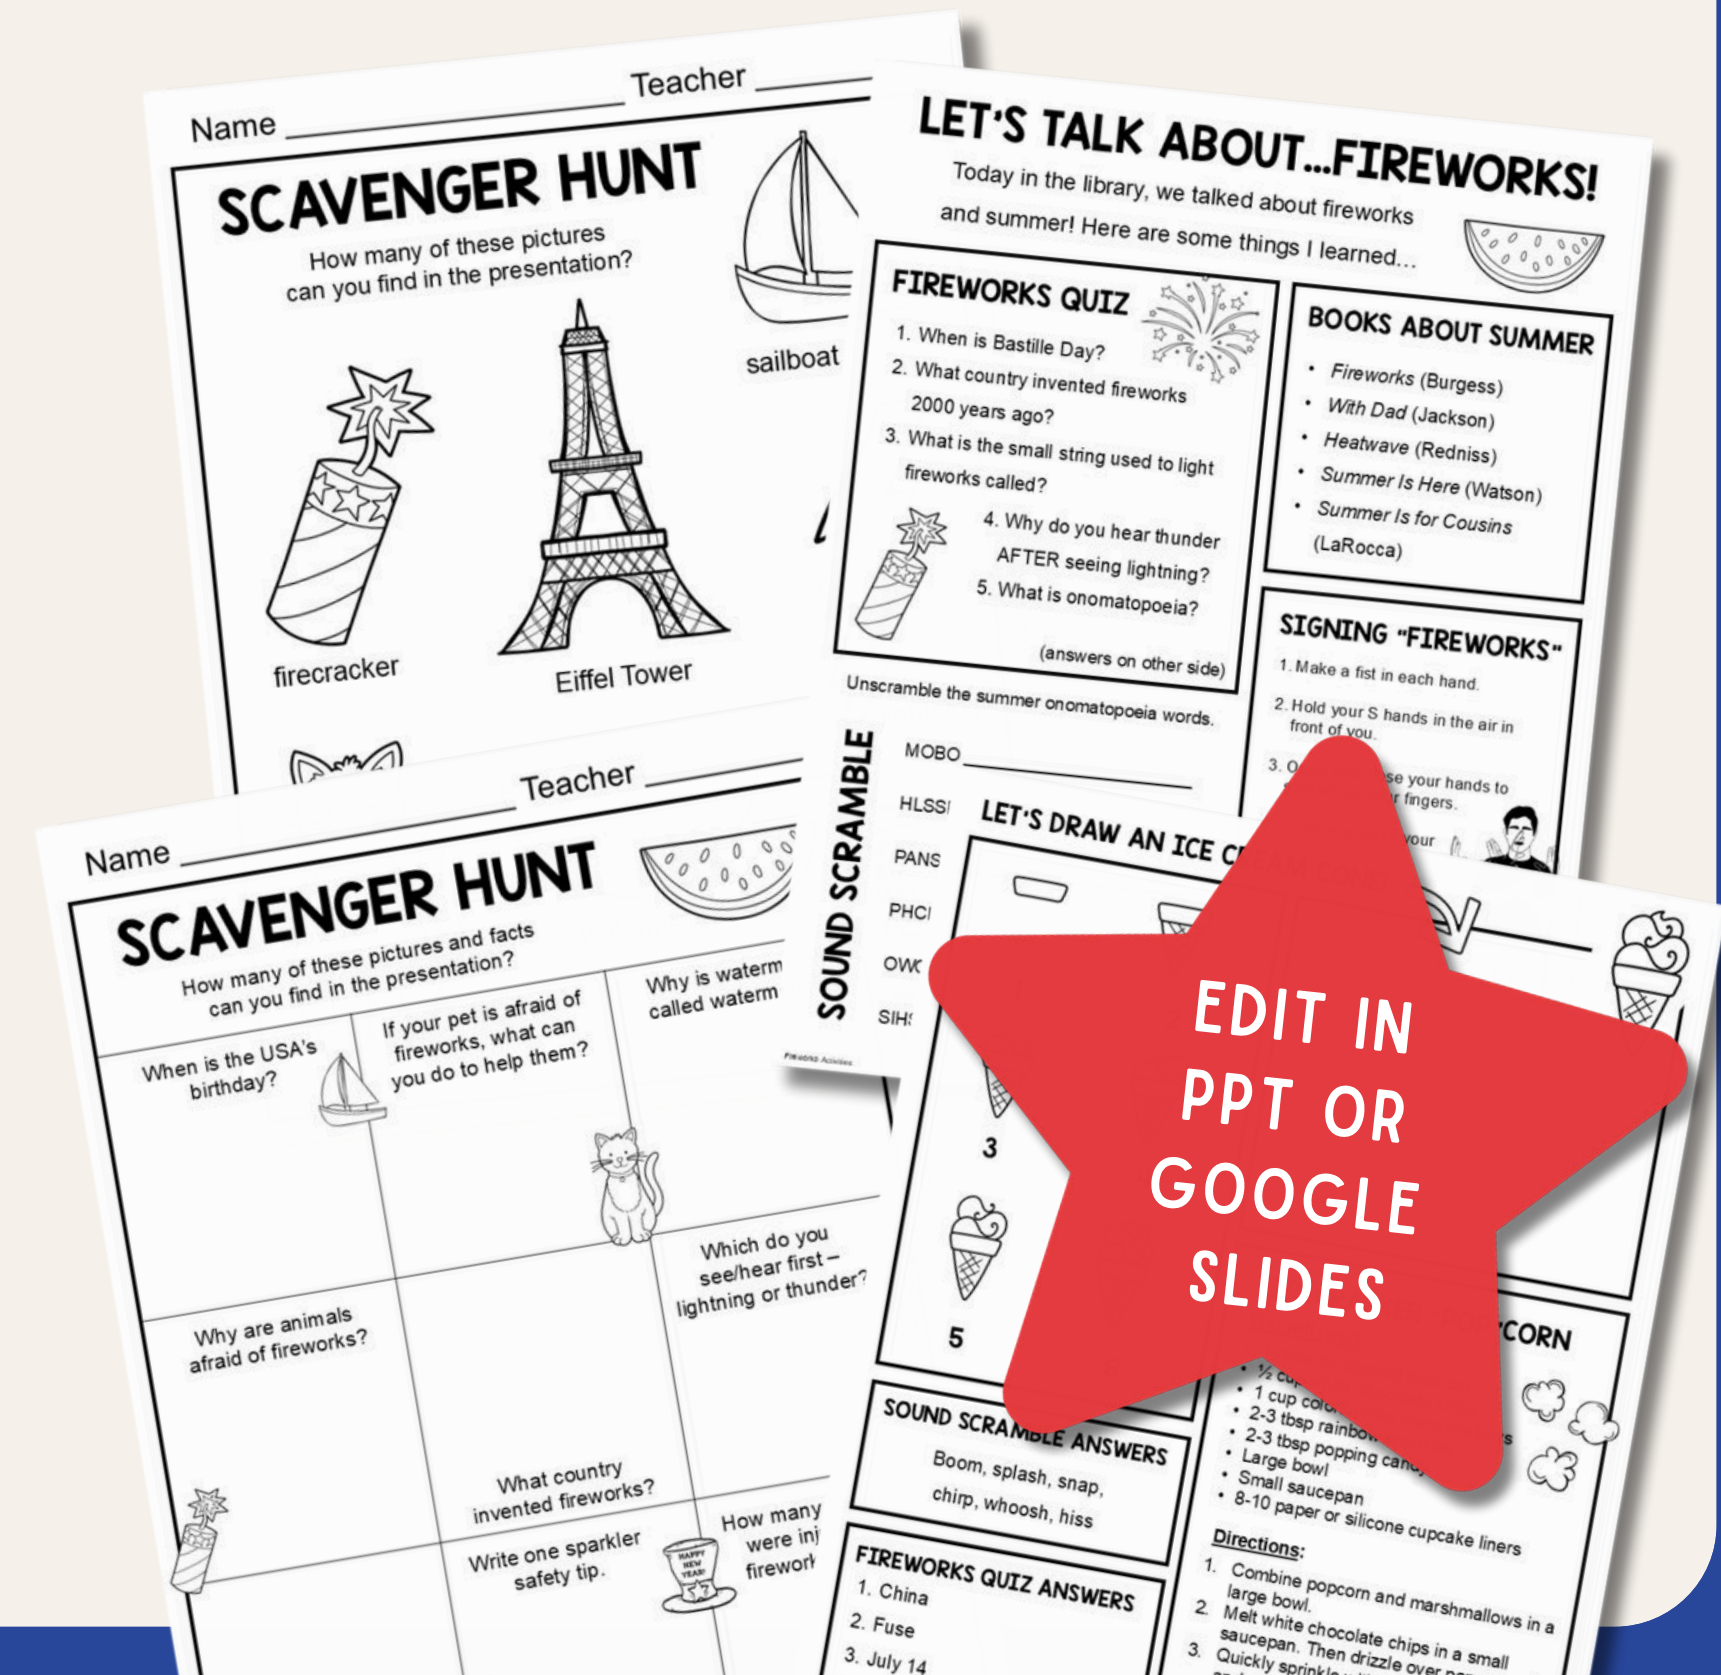

How do pets show us they are scared?

Do you see the black part of a cat's eyes? His pupils are (wide open) because he is scared.
