## ANSWER KEY CHECKOUT CHALLENGES INSECTS

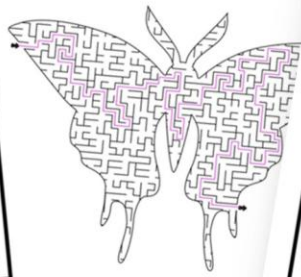

### Insects Trivia

- Three insects live in large colonies and have a queen. Can you name them?
- Which insect tastes with its feet?
- Most insects have a hard outer covering called an:
- True or false? All insects have wings.
- Can you name 3 insects that fly?

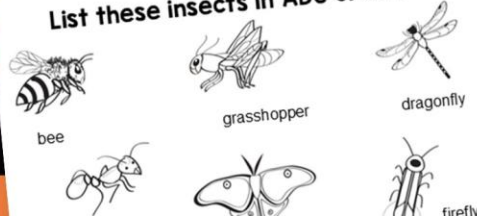

(answers on other side)

### Let's Read About Insects!

- *Dawn* (Martin)
- *City of Leafcutter Ants* (Hevron)
- *The Observologist* (Clarkson)
- *Firefly Song* (Paefl)
- *The Beetle Book* (Jenkins)
- *Honeybee* (Fleming)
- *Papilio* (Clanton)

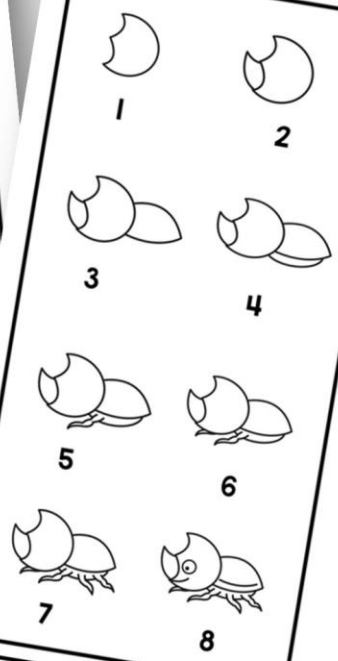

List these insects in ABC order.

- ant
- bee
- drago
- fire
- grass

Let's draw cute rhinoceros beetle!

### Trivia Answers

1. Termites, ants, bees
2. Butterfly
3. Exoskeleton
4. False
5. Butterfly, bee, mosquito, some ants, dragonflies

### Ladybug Math

Add each ladybug's spots. Write the equation, then draw the right number of dots on the ladybug.

  
 $4 + 2 = 6$

  
 $8 + 3 = 11$
