# SIGNS OF SPRING CHECKOUT CHALLENGES

Keep students busy  
during library checkout!

## CHECKOUT CHALLENGES WAITING FOR SPRING

### Early Spring Reads

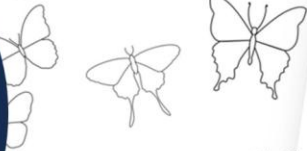

- On a Snow-Melting Day (Silverman)
- Bloom Bloom! (Sayre)
- Snowman - Cold = Puddle: Spring (Calas)

### Signs of Spring Quiz

1. What early spring flower is often purple, yellow, or white and grows even when it's cold?
2. What are some things that seeds need to grow?
3. What are some flowers that bloom in early spring?
4. What part of a plant is underground?
5. What do birds use to build their nests?

(answers

Color the matching butterfly

plants respond to light. Increased sunlight in spring gives plants more time to grow, even though it may still be cool outside.

### Let's draw a baby lamb!

### Trivia Answers

1. crocus
2. water, soil, sunlight, air
3. daffodils
