FREQUENTLY ASKED QUESTIONS

DO STUDENTS NEED DEVICES OR TECH?

It's up to you!

The K–2 hunt is completely no-tech. The Grades 3–6 and Grades 6–9 hunts include both QR code and no-tech options.

IS THIS EDITABLE?

Yes!

All three grade-level groups include editable options in PowerPoint and Google Slides so you can customize the hunts for your library.

WHAT IF MY LIBRARY HAS DIFFERENT LOCATIONS?

No problem!

All three grade-level groups include editable location options, so you can easily add the locations you need.

WHAT LIBRARIANS ARE SAYING

“My students absolutely loved this. They kept on task and enjoyed it. They were excited when they finished building the puzzle. Nailed it!!”

— Amy G. | Grades 1-2
(K-2 & ELL Version)

“This worked very well for a junior high orientation in the library. The students loved using the QR codes!”

— Tammy K. | Grade 6-8
(Middle School version)
